

**Message from the Headteacher**

**Year 7 Parents Evening**

Thank you to all our Year 7 parents who joined us for parents evening last night. I am delighted that 87% of families were represented at the event and we will now contact the small number of families who were not able to attend. I very much look forward to working with you during the forthcoming months and years. As I have said before, the opportunities to speak to us about your child’s progress are not limited to this evening. Please feel welcome to contact us at any time where we will be pleased to meet you regarding your child. Thank you to the families who took the time to respond to our satisfaction survey. This forms part of our annual quality improvement work and we rely on you telling us when things are not right so that we can improve them. We will be looking carefully at your comments and will contact you individually if necessary so that we can resolve any issues you may have. I will report the findings of the survey in next week’s newsflash.

**Adverse Weather Conditions**

This week we saw the first (and last we hope) of this season’s snow. May I reassure parents and families that we will always do all we can to ensure that school remains open in snowy conditions so that your child can continue to learn in a safe and warm environment. We work with our FM provider Robertsons to ensure the paths and roads around the site are safe.

Unfortunately, there are some occasions when, despite our best efforts, we cannot open the school due to health and safety concerns, for example the snow in March last year. Such decisions are never taken lightly and we understand the inconvenience this brings to families as well as the impact on learning. The school website will always contain up to date information about conditions on site. We also send information to local radio stations.

In extreme cases, when weather conditions worsen during the day we may have to take the decision to close the school early to allow students to return home safely. In this case a text will be sent to all parents prior to the closure giving enough time for them to make necessary arrangements. The decision will also be posted on the school website. If your child cannot make their way home and you are unable to come to school to collect your child, staff will remain on site and the school will stay open until all students have left.

**Turing (Year 11) – Countdown**

Next week our Lesson 7 schedule moves onto Red Week. Please note that the Lesson 7 schedule will be suspended for the duration of the PPEs, weeks beginning the 4<sup>th</sup> and 11<sup>th</sup> of February.

Red Week			
	Before School	Lunch	After School
Monday		MATHS	ENGLISH (for students not in Separate Science)
Tuesday	MFL		COMBINED & SEPARATE SCIENCE (11Y)

<b>Wednesday</b>		ENGLISH (for students in Separate Science)	TECHNOLOGY
<b>Thursday</b>	RS MASTERCLASS		MATHS
<b>Friday</b>		DANCE	HUMANITIES <b>**MUSIC</b> <b>DRAMA</b>

## Year 11 PPEs

We are now just one week away from the last round of PPEs that our current Year 11 students will sit. The next set of exams with by the final GCSE exams in May/June. The Newsflash has been running revision tips as a weekly feature for some weeks now and below the timetable below our Teaching and Learning team have made some further suggestions for how students might prepare for their exams.

### Class of 2019 - Year 11 - PPE3 Timetable

Date	P1	P2	Dear P4	P5	P6
Monday, 4th February	Computer Science Paper One (1 hour 30 minutes) Food and Nutrition (1 hour 30 minutes) <b>Beginning at 08:45</b>			Biology Paper One (70 minutes or 105 minutes) <b>Beginning at 11:15</b>	Geography Unit One -Our Natural Word (1 hour) <b>Beginning at 13:50</b>
Tuesday, 5th February	English Language Paper One (1 hour 45 minutes) <b>Beginning at 08:45</b>			Chemistry Paper One (70 minutes or 105 minutes) <b>Beginning at 11:15</b>	Music appointments
Wednesday, 6th February	Maths Paper One (1 hour 30 minutes) <b>Beginning at 08:45</b>			Physics Paper One (90 minutes or 105 minutes) <b>Beginning at 11:15</b>	Spanish Reading (H- 1 hour, F- 45 minutes) <b>Beginning at 13:50</b>
Thursday, 7th February	Business Paper One (1 hour 45 minutes) <b>Beginning at 08:45</b>			Biology Paper Two (90 minutes or 105 minutes) <b>Beginning at 11:15</b>	Geography Unit Three: Geographical Exploration, (1 hour) <b>Beginning at 13:50</b>
Friday, 8th February	English Literature Paper One- Macbeth and Lord of the Flies (1 hour 45 minutes) <b>Beginning at 08:45</b>			GCSE PE (1 hour 45 minutes) <b>Beginning at 11:15</b>	Dance Practicals
				Art Practical	Art Practical
Monday, 11th February	History Paper Two (1 hour 45 minutes) <b>Beginning at 08:45</b>			Music (1 hour 30 minutes) Design and Technology (2 hours) Dance (1 hour 30 minutes) <b>Beginning at 11:15</b>	
	Period 1 - Music appointments				Music Appointments
Tuesday, 12th February	Chemistry Paper Two (70 minutes) <b>Beginning at 08:45</b>			Maths Paper Two (1 hour 30 minutes) <b>Beginning at 11:15</b>	
Wednesday, 13th February	English Language Paper Two (2 hours 05 minutes) <b>Beginning at 08:45</b>			Spanish Listening and Writing <b>Beginning at 11:15</b>	Religious Studies - Islam (1 hour) <b>Beginning at 13:50</b>
Thursday, 14th February	Business Paper Two (1 hour 45 minutes) <b>Beginning at 08:45</b>			Maths- Paper Three (1 hour 30 minutes) <b>Beginning at 11:15</b>	Further Maths - Paper One (1 hour 30 minutes) <b>Beginning at 13:50</b>
Friday, 15th February	Further Maths - Paper Two (2 hours) <b>Beginning at 08:45</b>			Media Studies - Paper One (1 hour 30 minutes) <b>Beginning at 11:15</b>	
	GCSE Drama (1 hour 30 minutes) <b>Beginning at 08:45</b>		Period 4 - Art Practical		Art Practical <b>Beginning at 13:50</b>

## Revision Tips for Excellent Examination Preparation

### Revision tips: Online resources

Revision doesn't always have to be paper based. There are a wealth of online resources and websites available for you to use. Below are some websites you can use, as recommended by teachers at MHHS. Some are useful for creating resources or testing yourself, whilst others are useful for GCSE content for particular subjects and many have clips etc. you can watch.

Remember there are computers available in school for you to use (looking at the internet via your phone screen might not always be the easiest option).

Please also see the Revision page on the school website: <http://www.mossleyhollins.com/year-11-revision/123.html>

Subject	Suggested websites
Business	<a href="https://www.bbc.com/bitesize/subjects/zpsvr82">https://www.bbc.com/bitesize/subjects/zpsvr82</a> <a href="http://www.memrise.com">www.memrise.com</a>
Computer Science	<a href="http://www.teach-ict.com">www.teach-ict.com</a> <a href="http://www.memrise.com">www.memrise.com</a>

## A successful day at the Year 11 Revision Conference

We were pleased to welcome our Year 11 students to their Revision Conference last Thursday at the Village Hotel, Ashton. The students took part in a range of sessions throughout the day all aimed at helping and advising them on how best to prepare for their next set of PPEs and final exams in summer. The well-planned and beneficial sessions included practical ways to revise; how to retain knowledge through use of memory; careers and financial advice; how to be fit and ready and exam tips and techniques. We would like to thank the students for their fantastic attendance on the day, which was over 99%. We would also like to extend our thanks to the staff who prepared and delivered the sessions to such a high standard. Finally, thank you to the students who were focussed engaged and gave us their best performance; your application and diligence will serve you well in your future exams and beyond.

## Year 10 Assessments

Week beginning Monday 28<sup>th</sup> January Year 10 will have their PPE1 Assessments. The schedule below outlines the dates and times of exams in English, Maths and Science. Students will be sitting exams in other subjects during regular lesson time.

Date	P1	P2	Dear P4	P5	P6
Wednesday, 30th January				English Language Paper: Paper 2 Reading	
Thursday, 31st January				Biology Paper (70 mins or 105 minutes)	Maths Paper One (1 hour)
Friday, 1st February				Maths (Paper Two) 1 hour	

## An Update from our Head Student Team

On Tuesday, 15<sup>th</sup> January, three of our head students met with student leaders from our partner primary schools. The students discussed the success of recent charity events run by the schools.

Students then focussed on their next task as student leaders of the MCSP, which was to prepare for the forthcoming talent show, and they have decided to run a ticket design competition for all partner schools. The winning design will be used for the actual ticket when the tickets go on sale on 5<sup>th</sup> March 2019.

Leaders from each of the schools will help with preparations in the lead up to and during the talent show. They are all very much looking forward to this event.

In next week's Newsflash, look out for an update from our Tameside Youth Council leaders.

## Scientist of the Week

### Scientist of the Week

#### **Kelsey MacDonald**

Mr. Fenton has been impressed with Kelsey's enthusiasm and appetite for learning in science. She actively participates in lessons, asking lots of important questions.

Well done Kelsey!

*Floret Qui Laborat*

## Our STEM Club is now live!

Last week saw the first after school meeting of our brilliant STEM students. As the photographs show, our keen learners were given their project summary on "Fraud Detection" and they worked hard in their recent session to try and answer the questions posed to them;

- Who is Archimedes?
- What is density?
- How do we measure mass in the lab?
- How do we use a eureka can to measure volume?

The next stage of their learning will be to plan how they are going to use this information to carry out the practical part of their investigation and how they will use this to inspect a range of 1p and 2p "copper" coins!

## Recommended Read of the Week

Our book of the week this week is *The Last Kids on Earth* by Max Brallier. This title comes, once again, from the New for January selection in the MMRC.

*Forty-two days ago I was an ordinary kid, living an uneventful life. But now it's Total Monster Zombie Chaos and I'm battling beasts on a daily basis. Crazy, right? But I know exactly how to make it through the Zombie Apocalypse. Wish me luck - cos I'm gonna need a bunch of it.*

Does Jack Sullivan and his friends Quint and June defeat Blarg, the biggest, baddest monster in town and become "zombie-fighting monster-bashing tornadoes of cool"?

"Terrifyingly fun. Max Brallier's *The Last Kids on Earth* delivers big thrills and even bigger laughs" is what Jeff Kinney, author of the *Diary of a Wimpy Kid* series, thinks of this funny adventure story.

## The Maths Faculty keeping our students busy!

### KS3 Maths Homework

We have created a set of homeworks that complement the units of learning in maths. The homework will be set every 1-2 weeks and should be a full printed sheet.

The homeworks consist of two sections and are intended to stretch and challenge all our learners in maths:

Section 1 - Main exercise - every student should complete this entire section

Section 2 - This section contains a level of challenge that all our students are encouraged to attempt.

Wednesday, January 23, 2019

**Year 9 Homework**  
**Unit 4.2 – Presenting and Comparing Data**

The stem and leaf diagram, below, shows information about the times, in minutes, it takes a group of people to eat their breakfast.

(1) 5 7 9 (2) 0 0 5 8 8 (3) 0 2 3 5 7 (4) 2 5	Key: 1 8 represents 18 minutes.
--	---------------------------------

a) How many people are in the group?  
 b) How many people spend 15 minutes or more eating their breakfast?  
 c) Find the median time that it took to eat breakfast.

Question 2: Henry surveyed 24 people. This frequency polygon shows their shoe sizes.

(a) What is the modal shoe size?  
 (b) What is the range of the shoe sizes?  
 (c) What fraction of the people surveyed have size 8 shoes?  
 (d) What percentage of the people surveyed have size 7 shoes?

(e) Henry picks somebody at random to win a prize. Write down the probability that the winner has size 8 shoes.

Question 3: This dual stem and leaf diagram shows the results for the students in Mr Turner's class.

(a) How many boys are there in the class? (b) How many girls are there in the class? (c) What was the highest mark in the class? (d) Find the range of the boys' results. (e) Find the median of the girls' results. (f) Find the modal mark for the whole class. (g) Compare the boy's and girls' results.	<table style="border-collapse: collapse; text-align: center;"> <tr> <td style="border-right: 1px solid black; padding-right: 5px;">Boys</td> <td style="padding-right: 5px;">Girls</td> </tr> <tr> <td style="border-right: 1px solid black; padding-right: 5px;">5</td> <td style="padding-right: 5px;">1</td> </tr> <tr> <td style="border-right: 1px solid black; padding-right: 5px;">4</td> <td style="padding-right: 5px;">0</td> </tr> <tr> <td style="border-right: 1px solid black; padding-right: 5px;">0</td> <td style="padding-right: 5px;">7</td> </tr> <tr> <td style="border-right: 1px solid black; padding-right: 5px;">8</td> <td style="padding-right: 5px;">5</td> </tr> <tr> <td style="border-right: 1px solid black; padding-right: 5px;">3</td> <td style="padding-right: 5px;">3</td> </tr> <tr> <td style="border-right: 1px solid black; padding-right: 5px;">2</td> <td style="padding-right: 5px;">6</td> </tr> <tr> <td style="border-right: 1px solid black; padding-right: 5px;">1</td> <td style="padding-right: 5px;">4</td> </tr> <tr> <td style="border-right: 1px solid black; padding-right: 5px;">0</td> <td style="padding-right: 5px;">5</td> </tr> <tr> <td style="border-right: 1px solid black; padding-right: 5px;">6</td> <td style="padding-right: 5px;">9</td> </tr> </table>	Boys	Girls	5	1	4	0	0	7	8	5	3	3	2	6	1	4	0	5	6	9
Boys	Girls																				
5	1																				
4	0																				
0	7																				
8	5																				
3	3																				
2	6																				
1	4																				
0	5																				
6	9																				

Key: 40| means 40 marks  
 06|09 means 60 marks

**Challenge**

Calculate an estimate of the mean

**Score**

Here is a challenging example from Year 9.

### UKMT Intermediate Maths Challenge

On Thursday, 7th February, sets in Year 9 and 10 will be sitting the UKMT (United Kingdom Mathematics Trust) Intermediate Maths Challenge. These tests have been designed for the top mathematicians in the country. Students can achieve Bronze, Silver or Gold status. Students have been studying practice papers and worked solutions in preparation.

Here is the hardest question from 2018:

25. The diagram shows two equilateral triangles. The distance from each point of the smaller triangle to the nearest point of the larger triangle is  $\sqrt{3}$ , as shown.
- What is the difference between the lengths of the edges of the two triangles?
- A  $2\sqrt{3}$     B  $4\frac{1}{2}$     C  $3\sqrt{3}$     D 6    E  $4\sqrt{3}$

Now, you may be thinking, "oh, its multiple choice? Can't they just guess?", but the difficulty of the IMC is that if you get a question wrong you lose marks...

Best of luck to all involved.

### Year 7 and 8 Excel Club

Starting next week we will be competing in the Alan Turing Cryptography Competition from the University of Manchester. Over the next six or seven weeks a new code is released. Teams have until the end of the competition to work out each code.

The most exciting part is that the first team to crack the code wins a £20 amazon voucher for each member of the team, and there are prizes available of £10 and £15 each week for teams with correct answers. A team could come away with over £150 worth of amazon vouchers per person!

Here is an example of a code from last year's competition

### MEM Challenge

The Maths Faculty are entering students into the MEM (Mathematics Education on Merseyside) open challenge. This takes place over the February half term. Students are given the questions before they break up and bring the full solutions in to be sent off for marking after the half term break. The top marks from all schools are invited to a presentation evening in May. The MEM Challenge is an opportunity given to the Excel sets in Year 7 and sets in Year 8.

### Year 7 Excel Maths Battles

Currently Mrs Briggs' class hold the trophy and this season stand at 2-0. Will Mr Caffery's class take the crown this half term?

The battle will commence on Tuesday, 12th February at 3:05pm in 3:03 and the Maths Homebase. We had a fantastic turn out last term with lots of supporters for both teams.

Get practising and preparing your teams!

## Careers Update

A reminder to all students that Mrs Senior our Careers Advisor is available every Friday at lunchtime for drop-in sessions regarding careers and college advice. She will be in Mr Doodson's office on the second floor: no appointment necessary.

Also a reminder to Year 11 students of the following college application deadlines:

College	Deadline Date
Ashton Sixth Form College	Friday 15 <sup>th</sup> February 2019
Clarendon Sixth Form College	February 2019
Tameside College	February 2019

## Ashton Sixth Form College- Key Dates

**Ashton Sixth Form College**

**Interviews**  
Thursday 28<sup>th</sup> February  
Wednesday 27<sup>th</sup> March

**New Student and Parent Welcome Evening**  
Tuesday 12<sup>th</sup> March, 6:00-7:30pm

**Induction Day for New Students**  
Monday 1<sup>st</sup> July, 9:30am-3:30pm

## Equipment – Good Manners Cards

We would like to remind students that the good manners cards issued at the beginning of September are part of their expected equipment. The good manners card details some of our behaviour expectations and acts as a physical reminder to students. Students may be asked to present their card to a member of staff if they have failed to meet behaviour expectations in their actions.

Students who are not able to present their card, will be issued with a Nuhope for lack of equipment.

## Parent Governor Election

The parent governor election finished last Friday. There was only one application by Mr I Hardman. As there was only one application, he was duly elected. We welcome Ian's continuing governorship.

## Good Luck to Mossley AFC who have reached the Cup Final

Congratulations to Mossley AFC U14 Blacks on reaching the final of the Division 2 JFC Sports Cup 2019.

Twelve members of the squad are year 9 pupils from Mossley Hollins. They have all played their part in making the coaches and parents of Mossley Blacks very proud this season with their fantastic Cup run.

The semi-final was played under very difficult conditions and the team were losing 2-0. In the second half, the boys managed to score four goals with Cayden Tevlin and Finlay Lee scoring a goal apiece and Jake Newton scoring two fantastic strikes into the top corner to win the game 4-2 and reach the final of the cup. The performance and result was just reward for a group of players who have shown tremendous team spirit, work ethic and dedication to play the game in the right way all season.

The cup final will be played at Tameside Stadium on Monday, 22<sup>nd</sup> April at 10.30am - we wish them the best of luck.

Pictured:

Finlay Jones, Alex Cutler, Cayden Tevlin, Finlay Lee, Jaymi Lawson (captain), Sean Farrington, Aidan McKechnie, Jake Newton, Jude Crozier Gittings and Jamie Craker.

Wesley Farrington and Vincent Coffey, who were unable to play on Sunday, are also valued members of the team.

Thank you to Stuart Newton, coach of Mossley AFC Blacks, for providing the write up on the Year 9 boys' outstanding achievement.

## Arts and Sports News

### The Wizard of Oz

Tickets are now available from the main school reception.

Mossley Hollins High School  
proudly presents

The **WIZARD** of OZ

6<sup>th</sup> - 8<sup>th</sup> March 2019  
Doors open at 6.45pm  
Tickets £5 each

### Year 11- Table Tennis

On Monday, the Year 11 students played against a team from Droylsden Academy in a Table Tennis Tournament. The students performed in a number of singles and doubles games against Droylsden students in preparation for their GCSE practical performance. The outstanding level of table tennis ability and the dedication and enthusiasm on show from all students was very encouraging and something the PE department are very proud of. We look forward to taking part in more practical activities and competitions over the next few weeks and months.

Congratulations and well done to: Ted Homer, Eric Walters, Mario Cinquanta, Sam Coverley, Noah Vink, Tom White, Matthew Val, Joseph Val and Aaron Clayton.

## Extra-curricular activities

A new timetable has been created for the new term. The PE department would like as many students as possible to be taking part in the activities on offer.

Any students wishing to attend a practice/club must report to the PE changing rooms at the beginning of lunchtime/after school to meet the PE staff.

## Arts and Sport Extra-Curricular Clubs

## Dates for your Diary

W/b Monday, 28<sup>th</sup> January - Year 10 Pre-Public Examinations for all students in Year 10

W/b Monday, 4<sup>th</sup> February- Year 11 Pre-Public Examinations for all students in Year 11

Monday, 11<sup>th</sup> February- Year 9 Photographs

Friday, 15<sup>th</sup> February- School closes for half term

Monday, 25<sup>th</sup> February- Pupils return to school

Wednesday 6<sup>th</sup>, Thursday 7<sup>th</sup> and Friday 8<sup>th</sup> March- Wizard of OZ School Production

Thursday, 14<sup>th</sup> March- MCSP Big Sing

Friday, 22<sup>nd</sup> March- Dance Showcase

## Homework Clubs

To ensure students are able to complete their homework with support from a specialist teacher, we offer homework clubs during the following lunchtime each week...

**Monday - Science 3:07**

**Tuesday - Humanities in 2:04**

**Wednesday - English/ MFL in 2.08**

**Thursday - Maths in 3:04 and Technology in 4:06**

**Friday - Arts and Sports in G:01**

## Ever Thought About A Career In Teaching?

Ever thought about a career in Teaching?

If so, why not **'Train to Teach'** with us here at **Mossley Hollins High School** through School Direct in partnership with the everyonelearning@ Teaching School Alliance and the University of Cumbria.

We are currently recruiting for **Biology, Chemistry, Physics, English, Geography, History, Maths and MFL.**

School Direct allows schools to request training places directly, select the ITE (Initial Teacher Education) provider of teacher training they want to work with and agree the content and focus of the training.

Bursaries are available!

For further information please contact [d.webster@mossleyhollins.com](mailto:d.webster@mossleyhollins.com)

<https://getintoteaching.education.gov.uk/explore-my-options>
