Friday 12th July

Message from the Headteacher

Year 7-10 Learning Awards

On Thursday, we enjoyed a wonderful evening of celebration and entertainment at our annual Year 7-10 Learning Awards Ceremony at Dukinfield Town Hall. We were delighted to see so many of our parents and carers and celebrate together the achievements of our young people.

Thank you to our special guest Mr Tim Bowman, Assistant Director for Education for awarding the prizes and for his kind closing remarks.

During the event, we were treated to some excellent performances from Tilly McGlashen who gave a moving performance of 'Before He Cheats' by Carrie Underwood and Brodie Smith who entertained us with her wonderful tap dancing. Once again, our superb school band, who celebrate their silver anniversary this year, entertained us before and after the awards. Thank you to Mr Beardmore for his work in preparing the young performers. Finally, may I express my appreciation to Mrs Webster who once again planned and directed the whole event so meticulously and also to her wonderful team of helpers who made sure the event ran so smoothly.

Awards were presented to pupils who had achieved success in each of the different subject area (for making the most progress or for achieving the highest grades); congratulations to all of the pupils who received an award this year. These awards are discussed by faculty teams and pupils in each class can be nominated. The awards are very competitive, as you can imagine. It is a great achievement for those who receive an award.

Towards the end of the evening, our special awards are distributed; these awards are a 'surprise' for our pupils: we give some information about the pupil's specific work throughout the past year before revealing the name of the worthy winner. These pupils have all received special awards this year and should feel incredibly proud of their achievements; their dedication and commitment to our school makes each award very well-deserved.

<p>Martin Jebson Trophy (Most Improved Academic Performance): This student arrived with below average scores at the end of year 6. They have made outstanding progress since joining us in Year 7 and are on track to achieve good passes in: English Language, Literature, RE and Health & Social Care.</p> <p>They are also on track to beat their targets in mathematics and science. Due to their hardwork over the last four years, they are now predicted to achieve, on average, well over a full grade higher in all of their GCSE subjects than would be expected when comparing with other students nationally.</p> <p>This is a fantastic achievement and testament to the commitment to their studies.</p>	Asmine Baby
<p>MHHS Enrichment Trophy: This student has attended the Pop Choir since Year 7. She has singing lessons at school each week and has used her singing to great effect. This year she took a lead role in the production performing brilliantly with real style. She represented Mossley Hollins in the MCSP Talent Show this year was awarded joint 2nd place on the evening of the competition.</p> <p>Such diversity makes this pupil the worthy recipient of this year's enrichment award.</p>	Tilly McGlashan

<p>Jenny Pope Award (Spirit of Adventure): This pupil has shown real leadership qualities throughout his Duke of Edinburgh training. He is approachable and he is a strong role model. He has used his experience to help other pupils who find some of the tasks more challenging. He puts others first.</p> <p>The Duke of Edinburgh Award helps pupils to participate as active young citizens and he has worked hard doing community work in his scout group. This pupil is a well deserved recipient of this award.</p>	<p>Max Moreland</p>
<p>Time for the Arts Award: The Time for the Arts award this year is awarded to a pupil who has been a member of the band since he started at school and is the leader of the cornet section. This involves attending weekly rehearsals and performances throughout the year in and out of school time.</p> <p>He is also active within the drama department and had a major part in this year's production appearing as The Lion in The Wizard of Oz. He was committed, creative and focused throughout the rehearsal process and in every performance.</p>	<p>Calvin Thomas</p>
<p>Ainsworth Cup for Sporting Excellence: This pupil is a very enthusiastic and keen sports performer who has demonstrated high levels of resilience, excellence and hard work throughout the year in both GCSE practical and theory performance. She has excelled in all PE activities, including football, netball, table tennis and athletics. She has also been a valuable member of all Year 10 teams.</p>	<p>Holly McAlister</p>
<p>Golden Jubilee - Against all Odds: This pupil is an inspiration and a real example of what MHHS stands for. She has moved home and out of area and continues to come to Mossley Hollins High school, with outstanding attendance and punctuality. She has demonstrated commitment, resilience and continues to develop her self-confidence and independence in spite of the barriers in her path. The learning support team are very proud of her achievements and wish her all the deserved success in Year 11.</p> <p>Unfortunately, Eve wasn't able to attend last night and was presented with her award in school today.</p>	
<p>The Mayor's Award: This student has spent much of their own time outside of school working hard to raise money for a charity, which is very personal to them and their family. To date they have raised over £1000 by hosting an annual coffee morning. Not only does this student host the coffee morning, but they also, along with their brother, bake cakes and make all the teas and coffees. The next event is due to be held in August.</p>	<p>Matthew Gaunt</p>
<p>Global Citizenship Award: This student is Guide member with 12th Ashton Guides, she was very fortunate to be selected as a representative of Girlguiding North West England, to be a member of an ICE group going to Finland in April 2019. ICE is an international community experience which aims to give girls the opportunity to take part in a community project, whether it be environmental, educational or conservation based.</p> <p>It was an opportunity for her to develop many life and personal skills and to make international friends. She volunteered in a local charity near Helsinki, which supports children or other people less fortunate through a recycling project.</p>	<p>Amber Webster</p>

I am sure that you would like to join me in congratulating all our prize winners for their outstanding achievements this year.

Mr Marshall

Nightingale College (Year 10)- Futures Week

Last week our Year 10 students participated in our annual Futures Week. Over the course of three days, they visited the University of Huddersfield and the University of Salford. At both universities, students were given such a valuable opportunity to learn about life at university. Students were able to sample the learning on offer and got a glimpse into campus life. We are very grateful for the university lecturers who delivered such engaging sessions.

Students have also visited one of our local colleges in Tameside: Ashton Sixth Form College, Clarendon College and Tameside College. There, our students were able to get a sense of what colleges have on offer and to find out what life could be like when they leave Mossley Hollins in the summer of 2020. It was fantastic to receive such complimentary feedback from college staff commenting that Year 10 students are a 'real credit to the school'.

One of our proudest moments during Futures Week was seeing our Year 10 students arrive in school for their practise interview dressed in smart business wear. They all looked fabulous and this made such a great first impression on their interviewers. There was such positive feedback about our students from the interviewers and this experience will have set them up well for interviews at college or work places in Year 11.

Lockers

With the end of the academic year fast approaching, we would like to remind students of the need to clear out their lockers by Thursday, 18th July. Students will not have access to their lockers on Friday, 19th July.

Due to the change in the college system for next year, students who are currently in Year 7 should return their locker keys before the summer holidays. When the students return in the new academic year, they will receive locker keys for their new lockers.

Uniform Guidance for September – All Pupils

Dear Parents and Carers,

We would like to remind all students and parents of our uniform expectations and ask for your support in ensuring that these are followed rigidly for the start of the new academic year in September. Please see below details of our uniform expectations, which are published each year in the student planners.

This includes dark grey/black socks, dark grey school trousers (that match the colour of the jacket/pullover) and formal all black shoes, details of which have been sent via a letter to all parents/carers.

Make up, jewellery, nail polish and /or acrylic or gel nails are not permitted at all. We appreciate that students may have been treated to acrylic/gel nails for events over the summer, however, they must be removed prior to returning to school in September. Likewise, students may have had new piercings over the summer break, again these must be removed prior to returning to school.

Students should not return to school with inappropriate hairstyles, including patterns shaved into their hair and/or hair dyed in a bright/unnatural colour.

We would like to remind parents of the footwear which will be deemed acceptable and unacceptable. We are providing this reminder as prior notice so that no family wastes money on footwear that does not comply with our uniform policy.

Footwear must not in any way resemble trainers and shoes manufactured by sportswear companies will not be allowed. Canvas or leather converse/vans style pumps will not be allowed nor will any footwear that covers the ankle.

Please be aware that some companies, market shoes as school shoes but in fact they are not acceptable as they have logos and/or trainer like soles. Other shops, such as Clarks have also begun to design their school shoes to look like trainers. Shoes must be all black including the stitching, sole and trim. Logos of any kind are not acceptable, including Kickers. If students arrive in school with inappropriate shoes they will not be permitted into lessons. Please help to avoid any issues by ensuring that the uniform policy is adhered to.

Additional guidance regarding school shoes is included towards the end of this edition of the Newsflash.

Thank you for your support in preparing our pupils for a positive start in September.

Mrs. Din,
1st Deputy Headteacher

Perfect Uniform

Expectations of Equipment

Coming to school ready to learn is the most important thing that every child does each day. Being ready to learn means that the correct books and equipment must be ready in bags and homework completed in readiness for the lessons that day. Our Mossley Hollins uniform, must be clean, smart and correctly worn without fail so that there are no distractions to the learning process.

We would like to remind students of the compulsory equipment which must be brought to school each day. As a minimum, students should bring:

- two pens (black or blue)
- a pencil
- a rubber
- a ruler (30cm rigid type is the best)
- a DEAR book
- their student planner and their good manners card (these will be issued on the first school day in September)
- their exercise book required for the lessons that day

Thank you to all students who bring these items without fail. Teachers will be checking next week to ensure that everyone has this equipment and is ready to learn.

Redgrave College (Year 7) – Scholars Club Success

Last Thursday, 4th July, eleven of our year students graduated from the Scholars Programme at Manchester University. This Programme is run by the Brilliant Club and students visit highly selective Russell group universities and complete tutorials with a PHD researcher and finally they submit an assignment. The assignment is graded as university work and at a Key Stage higher than the student is currently studying at. The year 7 students studied Philosophy - Is there an external world? Their final 1500 word assignment was graded at GCSE level with 4 of the 11 students achieving a first class award for their work.

There were a lot of schools at the graduation and the pupils had to wait until near the end for their turn. The students waited patiently and behaved impeccably supporting all of the other graduates and schools as they received their certificates.

The Scholars programme has challenged our students to think and work like an undergraduate, developing independence, resilience and study skills along the way. It has been an excellent opportunity for these students to sample what life is like studying at the top universities and realise that this is something they ought to be aspiring to. This has been an intense programme and the students have worked incredibly hard. As such, school and the children's families should quite rightly be proud of them.

Looking towards the next academic year, there will be more opportunities for our students to participate.

The year 7 students in alphabetical order are: Sam Baines, Kobe Travis, George Butterworth, Sophie Cesarz, Jack Hartley, Maisie Knott, Gracie-Rose Mallon, Chloe Ormrod, Millie Slingsby, Amber Webster, Matilda Wigley.

Bronte College (Year 9) - Visit to Macbeth

The English Faculty would like to offer year 10 students the opportunity to go see Macbeth on Wednesday, 2nd October at the Royal Exchange Theatre. Shakespeare's most terrifying play is directed by Christopher Hayden with Lucy Ellinson taking the title role of Macbeth. It will be an evening show to minimise disruption to students' learning and students will be provided with letters on request. Please complete and return the reply slip promptly as places will be offered on a first come, first served basis. The deadline for returns will be Thursday 18th July.

If you have any queries, please contact me at school,

Miss J Cochrane

Mossley and Carrbrook School Partnership Spelling Bee

On Monday morning, we welcomed participants from our MCSP primary schools to take part in the annual Spelling Bee. Each school brought eight students, two from each year group in Years 3-6 to battle it out for the accolade of being the best speller in their year group. The Year 3 students competed first and set a very high standard; they were followed by students from Year 4 who showed off their skills; Year 5 were not to be out-shone and showed excellent knowledge of such challenging vocabulary and our Spelling Bee finished on a high with the Year 6 students battling it out round after round. The competition was intense! The students had worked hard with their teachers practising their key spellings. The champions demonstrated an exceptionally high standard, spelling words above their key stage. I would like to thank our primary colleagues for their hard work in preparing the students.

I was ably assisted on the morning by our MCSP prefects, Sam and Sophie, and year 7 helpers: Sam, Chloe, Brodie, Jasmine, Joseph and Max. Thank you for your help and for being such fantastic ambassadors for our school.

It was also lovely to receive the following feedback from Buckton Vale:

Thank you for organising and running the Spelling Bee this morning. Even with a few nerves at the start, our children had a wonderful time. We were so proud of them and all of the other children from the other schools for their excellent behaviour, team encouragement and amazing spelling skills. The standard was very high! It was also lovely to have Mossley Hollins students join us and help with the organisation of the event.

Miss Osborne

Calling All Performers!

All students who are interested in getting involved in any way with the 2020 school production please speak to Mr Wane.

Audition packs are also available and the process will begin on Tuesday, 16th July at 3pm in G:03. Students who are auditioning should watch the film again and be confident to sing at least the song specified in the audition packs for their character.

Key tips for an audition:

- **Confidence is key:** the more prepared you are the more successful you will feel in the audition, regardless of the end result
- **There's no such thing as being over-prepared:** you need to know the lines and lyrics without using the script. Go above and beyond!
- **Show good behaviour:** directors are equally concerned with how you behave as well as how well you perform
- **Smile and enjoy the audition process:** the director and audition team want you to do well

School Bus Fare Increase

Transport for Greater Manchester has notified us of changes to the school bus fare from the start of the 2019/2020 academic year, they will increase in line with inflation.

The changes:

Fare Type	Old (£)	New (£)
Child Single (IGO)	1.35	1.40
Child Single (no IGO)	1.75	1.80
Child return	2.30	2.40
Child Weekly	7.30	7.40
Adult Single	2.70	2.80

An IGO card costs £10 and lasts until 31st August after your 16th birthday. The card allows 11-16 year olds to travel using child tickets on buses and trams in Greater Manchester.

A letter will be sent home early next week with the bus Timetable for the 2019/2020 academic year.

Scientist of the Week

Scientist of the Week

Joshua Pycroft Year 9

Joshua has demonstrated an excellent attitude to learning, grasping difficult concepts of separate science with ease. He has worked incredibly hard over the past term and achieved his highest score this year on his end of year 9 assessment.

Well done Joshua, keep up your hard work.

Miss Walton

Floret Qui Laborat

Lost Property

Do you recognise anything in the photograph? We have collected a large amount of lost property. If your child has lost a coat, bag or other item, please ask them to check at Reception in case it has been handed in. Any unclaimed lost property will be taken to a charity shop on Friday, 19th July 2019, as we cannot store it indefinitely.

Safety Over The Summer – Dangers In Open Water

Over the six-week summer break we would like to ensure all students enjoy themselves safely and responsibly. There are many places in Mossley and local areas where open water could be a danger to our students with the canals, rivers and reservoirs. The dangers with swimming in open water are not always clear to young people. However, the temperature changes, steep drops, dangerous currents and limited visibility can result in a high risk of death.

More than four hundred people drown every year in the UK and drowning is the third most common cause of accidental death in children.

Please discuss this with your children to make them aware of the dangers and risks so that they can enjoy the Summer holidays safely with family and friends.

JASS (Junior Award Scheme for School) Outstanding Fundraising

A huge thank you to everyone involved in the Bake Sale on Monday, 8th July. We had students, staff, parents and carers who donated cakes of all shapes and sizes to support our event, which took place in the Drum during morning break. The team who led the event have spent many weeks planning and advertising the cake sale and, in the days beforehand, baking! As a result of this hard work our Year 7 Junior Award Scheme for Schools (JASS) group were able to raise over £150.00 on the day. This is a fantastic achievement, and a fabulous sum of money, which will be donated to the students' chosen charity.

Geography Fieldwork Study

The past few weeks have been busy for Year 7 students as they have been developing, and undertaking, a microclimate fieldwork study in their geography lessons. Each class has had the opportunity to test the theory that 'The climate is the same across Mossley Hollins High School site.' Students have been testing this hypothesis through the development of a project that has guided them from aims and hypothesis to data collection, presentation, analysis and a final conclusion, with some classes creating their own equipment to collect data. Well done to Year 7 for their hard-work and commitment on their project this term.

'Today we measured different micro-climates to see how temperature, windspeed, cloud cover and wind direction varies. The micro-climates studied were at the entrance steps, the astroturf, the greenhouses, in the visitors car park and the basketball court. We used anemometers, thermometers and compasses to record this data.'

An account of fieldwork undertaken this week.

By Joshua Aspin

Homemade weather vanes and rain gauge from 70 for Miss Lees and Miss Jones Microclimate investigation.

MCSP Band Concert

This event took place last Thursday evening. It was a lovely opportunity for the audience to see how our students make remarkable progress using our brass tuition programme here at Mossley Hollins. The first step on this journey is the tuition that the young people in our primary schools receive. This work marked by an exciting collaboration, which saw 70 brass musicians from our local primary schools playing together at the event as a massed band. The next group to perform was a more advanced primary aged group that have been learning for more than one year. We then moved on to the Mossley Hollins Year 7 band. As the group performed together, it was apparent just how much they have achieved in their first year with us.

Finally our school band performed demonstrating the commitment and resilience that our musicians continue to play with, up until they leave in year 11. It was also great to have some of our year 11 players back in school performing on the evening. We also heard from an advanced brass quartet, as a small ensemble, who played at an advanced level.

As ever this was a great event with high quality performances.

Our Pass

What is Our Pass?

Our Pass is a UK first. It offers 16-18 year olds free bus travel on all local bus services across Greater Manchester, making it easier to access education, work, training, culture and leisure opportunities in the city-region.

Our Pass will also provide direct access to a range of opportunities for 16-18 year olds in Greater Manchester. Throughout the summer, opportunities from music to sport, competitions and taster days will be announced.

You can apply from Monday, 1st July and use Our Pass from Sunday 1 September.

How do I apply?

Visit ourpass.co.uk. If you are having any problems with your application, please email help@ourpass.co.uk or call 0300 323 0777.

What is the £10 fee for?

The £10 fee for each card covers administration costs, including the production and delivery of the card.

Are there any other fees associated with Our Pass?

There is a £10 charge for a replacement if your pass is lost, stolen or damaged.

Who is eligible for Our Pass?

You must be a Greater Manchester resident, and aged at least 16 and under 18 on Saturday 31 August 2019.

If you're not sure if you live in Greater Manchester, you can check on the Government's find your local council page <https://www.gov.uk/find-local-council>.

You can continue to use your igo card until you become eligible for Our Pass. igo cards expire on the 31 August after your 16th birthday.

What documentation do I need to provide to prove my age and residency?

In order to apply you will need a passport style photo, proof of your date of birth and proof of residency in Greater Manchester.

Proof of your age can be a copy of your passport, driving licence, birth or adoption certificate, NHS medical card, biometric residence permit, Validate UK ID card, EU/ EEA ID card or HM forces ID card.

Proof of your address can be one of the following issued in the last three months: a recent letter or statement from your bank or building society; utility bill; mobile phone bill; or a letter from HMRC or government agency e.g. Department for Work and Pensions.

When can I apply and when can I start using Our Pass?

You can apply for Our Pass from Monday 1 July. You can start using the card from Sunday 1 September.

When will my Our Pass card expire?

Your pass will be valid until 31 August after your 18th birthday (or until your 18th birthday, if this is 31 August).

When will I receive my card?

We recommend that you apply by Friday 16 August to make sure that your pass arrives in time for use from Sunday 1 September.

After the September launch, accepted applications will usually arrive within 7-10 working days.

Are there any times or days when I can't use my Our Pass card?

No – you can use Our Pass seven days a week. There are no time restrictions for travelling by bus with Our Pass.

Do I need to have my Our Pass card with me to get free bus travel?

Yes, you must have a valid Our Pass with you when you travel. If you don't have a valid Our Pass card, you will need to pay full adult fares and cannot claim a refund later.

How can I use Our Pass to travel in Greater Manchester?

Our Pass will be valid on all local bus services across Greater Manchester. This links provides a list of local, registered bus services <https://tfgm.com/public-transport/bus/our-pass-services>.

Our Pass will also allow you to buy off-peak one day and weekend travelcards for Metrolink at half adult prices – that means that young people can travel off-peak on the tram for as little as 90p.

What other benefits are available?

Our Pass will also provide direct access to a range of opportunities for 16-18 year olds in Greater Manchester. Throughout the summer, opportunities from music to sport, competitions and experience days will be announced.

Will all opportunities be fully accessible to cardholders with Special Educational Needs & Disability (SEND)?

We are working with many different opportunity providers in order to provide a wide range of experiences for young people in Greater Manchester. Our Pass is working with TripleC to ensure that disability and access needs are considered as part of the Our Pass pilot. TripleC is a collective of disabled and non-disabled creatives, focused on changing access to the arts for children/young people & adults with disabilities and working towards better representation of artists/performers with disabilities in the industry.

Your journey starts here

Our Pass gives 16-18 year olds **free bus travel*** across Greater Manchester – providing the freedom to travel, work and learn. It removes the hassle and cost of buying individual bus tickets and can be used seven days a week.

Our Pass opportunities

Our Pass is not just a bus travel card – cardholders will have access to lots of **opportunities, experiences and benefits.**

It will open doors for you to explore what Greater Manchester has to offer and make your money go further. Unlock potential savings of over £500.

How to apply

You must be a Greater Manchester resident and be aged at least 16 and under 18 on 31 August 2019. Your pass is valid until 31 August after your 18th birthday.

Apply online at ourpass.co.uk you will need proof of your age and address, a photo and a credit/debit card to pay the £10 administration fee.

Apply now, use from 1 September. ourpass.co.uk

Arts and Sports' News

Team Sports Day – Friday 19th July

On the last day of term, it will be our annual Team Sports Day event at Mossley Hollins. The event takes place from 9 am until 12.15 pm.

All pupils will represent their form in an inter-form competition. Pupils will compete in football, dodgeball, table tennis and rounders events. Each pupil will take part in two events; one before break time and one after break. All pupils need to come to school in their school PE kit.

- Each form will be registered at 8.45am in their form rooms by their form mentors
- At 9.00am forms will make their way down to their activities where they will start straight away
- Break will be slightly earlier for everyone - 10.30am until 10.45am
- At 10.45am the second set of activities will take place
- Events are due to finish at 12.00 pm and the presentations will take place between 12.00pm & 12.15pm.
- Pupils will then go straight home from the event for an early finish.

Tameside Athletics

On Tuesday this week, over forty pupils from across all years competed in the Tameside Athletics Competition 2019. Thirteen schools from across Tameside attended the event and the best athletic performers competed in every event including the sprints, runs, jumps and throws.

Our Mossley Hollins students were an absolute credit to the school with excellent behaviour whilst spectating and supporting the other students. The athletic ability on display was exceptional and they showed outstanding levels of resilience and pride whilst competing. They competed in the most challenging situations against the best performers in Tameside.

As a team, Mossley Hollins managed to win seven medals including two golds, one silver and four bronzes. This is a fantastic team effort with some outstanding individual performances. Special mention needs to go to Dominic Collins who won gold in the high jump, Jacob Smith who won gold in the shot put, Daisy Arthingstall who won silver in the long jump and Erin Allport, Amy Starkey, Grace English and Darcey Platt who won bronze in the 100m sprint, 800m, long jump and 1500m respectively.

Congratulations and well done to all the pupils who took part;

Junior Girls- Amy Starkey, Amber Heywood, Erin Allport, Grace English, Tiah Glasgow, Ella Whitwam, Shannon Darraugh, Amber Guy and Darcey Platt

Intermediate Girls- Natalya Learmont, Nicole Richardson, Olivia Morris, Alex Knight, Millie Davison, Julia Garibyar, Katie Hunt, Daisy Arthingstall and George Stead

Junior Boys- Jake Wolfenden, Noah Lucas, Lewis Byers, Thomas Stones, Leo Alexander, Leo Darraugh, Jacob Smith, Dylan Riley, Cameron Nield, Patrick O'Connell and Charlie Jones

Intermediate Boys- Kieran Harris, William Hughes, Kian Broadbent, George Pringle, Keane Darraugh, Sean Crawford, Dominic Collins, Oliver Taylor and Oliver Stokers

MCSP Primary Olympics.

On Wednesday afternoon, the PE department hosted the annual MCSP Primary School Olympics. This is an annual event where our partner primary schools in the MCSP partnership come together to compete in the biggest sporting event in the calendar. The pupils compete in a number of events including the turbo javelin, relay races, long jump and races including the 50m sprint, egg and spoon, sack race and skipping race.

Students from all six schools; Livingstone, St Georges, St Josephs, Micklehurst, Buckton Vale and Milton St Johns were represented in the different events.

There were competitions for the boys and girls in year 3, 4, 5 and 6. All the students performed to the highest of standards and the level of athletic ability on show is something that all competitors and schools should be very proud of. We must congratulate Milton Primary School for finishing as the overall winner; they will hold the title 'MCSP Primary Olympic Champions' for the year 2019.

There were a number of parents and family members present to support the students and this is something that always makes this event extra special. Thank you to everyone who attended.

Thank you to Mrs Dodd and the PE staff for organising and leading the event, as always, this was a huge success.

Year 10 Sports Leaders

A huge thank you and congratulations needs to go to the Year 10, 8 and 7 students who helped out at the MCSP Primary School Olympics. They demonstrated outstanding leadership qualities to lead and support the Year 3, 4, 5 and 6 students in the events.

Thank you and well done to:

Year 10- Nicole Cheetham, Kieran Harris, Julie Garibyar, Millie Davison, Olivia Morris and Alex Knight.

Year 7- Lucy Coverley, Ella Whitwam, Abbie Hughes and Millie Wright.

Sports Awards 2019

On Tuesday, 16th July, Mossley Hollins will be hosting the second Mossley Hollins Sports Awards. The Sports Awards allows pupils, their families and PE staff to come together and celebrate the outstanding sporting achievements and successes of individual pupils and school sports teams. Invites have been sent out this week via the students.

Dates for your Diary

Monday, 15th July- Year 7 PRIDE awards

Tuesday, 16th July- MCSP Technology Day

Tuesday, 16th July- MHHS Sports Awards

Friday, 19th July- Sports Day- 8.45am-12.15pm

Friday, 19th July- Finish for summer holiday.

Homework Clubs

To ensure students are able to complete their homework with support from a specialist teacher, we offer homework clubs during the following lunchtime each week:

Monday - Science 3:07

Tuesday - Humanities in 2:04

Wednesday - English/ MFL in 2.08

Thursday - Maths in 3:04 and Technology in 4:06

Friday - Arts and Sports in G:01

Ever Thought About A Career In Teaching?

Ever thought about a career in Teaching?

If so, why not **'Train to Teach'** with us here at **Mossley Hollins High School** through School Direct in partnership with the everyonelearning@ Teaching School Alliance and the University of Cumbria.

We are currently recruiting for **Biology, Chemistry, Physics, English, Geography, History, Maths and MFL.**

School Direct allows schools to request training places directly, select the ITE (Initial Teacher Education) provider of teacher training they want to work with and agree the content and focus of the training.

Bursaries are available!

Job Vacancies- MHHS

Attendance and Pupil Development Officer

Fixed Term (9 months in the first instance)

Grade D (Point 7 - 10) - (Actual Salary at Point 7 – £13,643.39 – pro rata)

30 hours per week

Term-time only

Required for September 2019

The Governors are seeking to appoint a highly motivated and talented individual to join our school.

The main purposes of the job are to provide co-ordination and support, with specific responsibility for pupil attendance and the administration of our rewards and sanctions system of behaviour management.

You must possess excellent communication, organisational and keyboard skills. Previous experience of working within a school would be an advantage. However, full training will be provided for the specific responsibilities.

A commitment to the education of young people and high standards are essential attributes.

Closing date for completed applications – Monday 15th July 2019 – 12 noon
