Headteacher's Message

Year 11 Pre-Public Examinations

These important examinations begin at 8.45am on Monday, 18th November, with the English Language paper and will finish on Thursday, 28th November. I cannot stress enough their importance and students should already be busy with their revision, putting time aside each day and at the weekends to prepare thoroughly. This week's assembly was around the theme of self-sacrifice in the run up to Remembrance and I reminded the students that they will need to make their own sacrifices and give up their usual social activities to allow quality time to prepare.

Why are these examinations so important?

Over the past few years, the outcomes of these exams have been a very close indicator of what students are likely to achieve in the real exams next summer. Following the examinations, teachers spend a lot of time scrutinising papers, often working collaboratively with other schools including our partners at Droylsden Academy, to identify and rectify misconceptions and support students with specific topics. This work can only be effective if the examinations are fully reflective of the students' knowledge, skills and understanding. In other words, they must do their very best so that we have the clearest picture so that we can adapt our teaching over the next few months. Furthermore, most students will be applying for college placements during the next few weeks and it is the projected grades following these exams that they will record on their application forms.

I wish all our Year 11 students success.

Parking on Site

Thank you so much for your cooperation and understanding in not parking on the double yellow lines on the school drive. I realise that this is a small inconvenience for the students who may have to meet you a small distance away from school but I am sure you will agree that the school is now a safer place for our students without them dodging between moving and stationary vehicles to get to parked cars. It is worth reminding ourselves that many schools, including ourselves when in the previous building, have no facility on site for collecting students by car so this is not an unusual situation.

Thank you to our colleagues from the Police, Tameside Traffic Enforcement and Robertson's Facilities Management for helping us keep your children safe.

Nightingale College (Year 11) - After School Intervention

Please will parents of Year 11 note that during the PPEs in November, intervention sessions are suspended. This means that from Monday 18th November – Thursday, 28th November intervention sessions will not run. They will resume on Monday, 2nd December.

Nightingale College (Year 11) - English Walking-Talking Examinations

Next week, all Year 11 students will participate in Walking-Talking examinations in order to prepare them for their pre-public examinations. The sessions will be delivered by Ms Upton and Ms Osbourne.

The sessions will take place at the following times:

Tuesday, 12th November English Literature	Periods 4 and 5.
Wednesday, 13th November English Language	Period 1 and the first fifteen minutes of period 2.

Christmas Musical Evening 2019 – Design Competition

Calling all budding designers across all year groups. Can you design a poster for our Christmas Musical Evening? If so, we would like you to reveal your inner festive sparkle in an A4 poster and enter our exciting competition.

You may wish to include some or all of the following details in your design:

Date of event: 17th December 2019

Start time: 6pm (Doors Open 5.30pm)

Location: Mossley Hollins High School

As it is an MCSP Event – the logo will need to be included.

All entries need to be submitted by 28th November 2019. The winning poster will win an Amazon voucher as a prize, the poster will feature on all the promotion materials, and it will be used on the front cover of the event programme.

Redgrave College (Year 7) - Excellent Work in English

This week in English Year 7 students have been playing their Treasure Island board games. Their brief was to design their own game incorporating the story and the characters. It was fabulous to see that some students had chosen to make their board games a reality. The games were of a high quality and professional in the standard of expectations, rules and task.

Redgrave College (Year 7) – Character Pillars

This week has seen the start of the Character Pillars Awards scheme for Redgrave College. Each student is now gathering evidence to work towards the three stages: Apprentice, Graduate and Master in the four different areas: Learning, Participation, Service and Leadership.

Fast off the mark this week was **Lillia Clegg** from 7E, showing participation in her favourite hobby. Lillia is a very keen and talented swimmer, having been a member of the Chadderton Swimming club for the past 7 years. Her commitment, training 2 to 3 times per week, certainly pays off. Lillia often competes with swimmers in the 14+ category, in breaststroke, butterfly and freestyle and her successes are evident in the number of medals she has received.

Lillia's current goal is to swim 100m in 13 seconds; she is only 1 second away from this at the moment! We are looking forward to hearing about Lillia's further events, and good luck gaining Apprentice for Participation.

Life Skills

The Life Skills content for form time next week is:

Year 7 – Why work for the NHS?

Year 8 – Our social media usage

Year 9 – What are new psychoactive substances and what are the risks associated with taking these?

Year 10 – Understanding domestic violence

Year 11 – Revision techniques

If you have any enquiries about the Life Skills curriculum, please contact Mrs. Rebecca Harrison at r.harrison@mossleyhollins.com

Life Skills Dates for your Diary

Throughout this half term, we have a number of valuable learning opportunities for students in Years 8, 9, 10 and 11. Please see information below for dates and timings.

Monday, 11th November – P6 and P7-All Year 8 participating in an Anti-Bullying workshop delivered by Mr. Norry Ascroft, from Youth Potential, teaching resilience in relation to all forms of bullying. Year 8 students must line up in silence in the drum at the end of lunch, with their P6 class teacher.

Wednesday, 13th November P6-A small group of Year 10 students will be participating in the Clarendon Sixth Form High School challenge. Please see Ms. Sharpe for further details.

Friday, 15th November P2 and P3-All Year 9 students are to participate in a Child Criminal Exploitation workshop delivered by Odd Arts Theatre Company. Letters have been sent home this week. All students must register in their usual P2 lesson and their teacher will take them to the Arts Theatre.

Tuesday, 17th December – All Day-Year 11 Religion and Life Skills Day.

Redgrave College (Year 7) - Bowling Trip for Nurture students

We have been very impressed with the attitude and hard work of all of the Year 7 students who are completing the Nurture programme in English and mathematics. To reward students for their hard work, each student who attends the Nurture sessions has been invited on a trip to Hollywood Bowl, which will take place on Tuesday, 17th December during school time.

If you have any questions about the trip, please do not hesitate to contact Mr Wells.

Turing College (Year 8) - Calling All Avid Readers in Year 8

The English Department would like to invite all committed and avid readers to a new book group that will be starting next week, Wednesday, 13th November at lunchtime. The group will be an exciting opportunity to share your love of books, and we will have weekly discussions and debates about one particular novel that will be our focus for this half term. During our first meeting (which will last around twenty-five minutes), we will discuss our favourite books and authors, as well as receiving our shared fiction text.

Bring yourselves, your lunch and your enthusiasm to 2.08 at 1.20pm. We hope to see you there!

Attendance Home Visits

We are constantly striving to ensure that our attendance is outstanding, working closely with our families and primary partners. If your child is absent from school, we have a duty to ascertain the reason for absence at the earliest convenience and to determine whether the absence is justified or whether further evidence is required such as medical reports. Each half term we will be identifying days of action where unannounced home visits will be carried out. If your child is absent from school on any of these dates, you may well receive a visit, even if your child has only been absent for that day.

We are also working very closely with the local police to help them build ever-stronger partnerships with the local community and to improve relationships with young people and families. The police will also be supporting the school in carrying out home visits for students who are absent from school. During each term, there will be specific days of action where some of our local police will be joining our attendance team in making home visits. As above, if your son/daughter is absent from school on this day, you may well get a visit.

Please do not worry if your child is absent for a genuine illness. This is just another part of our work in ensuring that our attendance continues to be very strong and children get the education to which they are fully entitled.

The Great British Bake Off

On Thursday, 14th November, we will be holding the first round of 'Mossley Hollins Does the Great British Bake Off'. Year 7 students have been chosen to participate in this after school event, which will run from 3pm-4.30pm. There will be four rounds, which consist of, round one, the quarterfinals, the semi-finals and then the Grand Final. This event will run in the weeks leading up to the Christmas break. Students will be provided with a list of ingredients, which they will need to bring in order to make that week's bake. Good luck to all of the Year 7 students who are participating!

Bronte College (Year 10) - Scholars Club

The Year 10 pupils selected to take part in this year's Scholars Club have begun their studies in earnest over the past couple of weeks.

Prior to half term was an exciting, interesting and informative visit to the University of Manchester. Here they had a tour of the facilities, attended lectures on university life, the courses on offer and the study skills required to be successful when attending the most selective universities in the country.

The pupils then attended their first tutorial with a PhD researcher and started their study of autoimmune diseases and cancer. Pupils commented on how interesting, stimulating and challenging the sessions were, making them think hard.

This week the students began their work in school with the researcher attending a seminar exploring what auto-immunity actually is and how it arises in the body with in depth explorations of "immune tolerance" and "molecular mimicry".

The pupils have three more sessions before they plan, write and submit a 2000 word study of autoimmunity themselves.

Safe Use of ICT – Fifa 20

At National Online Safety we believe in empowering parents, carers and trusted adults with the information they need to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one platform of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

FIFA 20

You don't need to be the biggest football fan in the world to have heard of FIFA (Federation Internationale de Football Association), the governing body for football. The video game series bearing the organisation's name is one of the most successful ever. The lure of this football series is that official licensing gives your child the opportunity to play games in the role of their favourite players. They can either work through a story mode version of the game or play online in competitions against other players. The game, released annually by Electronic Arts under the EA Sports label, is available for a range of consoles, and there are also mobile versions available for smartphones and tablets.

AGE RESTRICTION

3+

If under 18, supervision of a parent or legal guardian required.

What parents need to know about FIFA 20

CONSTANT SERIES REFRESHES

The big selling point for the FIFA range of games is that it includes current players, a feature which no other football video game offers. However, this means that a new version of the game is released every year with updated teams, players and stadia, plus new gameplay features and tweaks. And, with every annual update of the game, there is an expectation that it will be far better than the previous one, so the pressure to upgrade and buy the new version is likely to be immense!

FAKE EMAILS AND SCAMS

Your child may receive an email or see a message on social media or in forums which appear to be a genuine FIFA promotion. While the link may seem like a FIFA login page, it's a phishing scam to capture a login name and password. Scammers may use names that sound legitimate, like 'EA Admin' or 'FIFA Developer'.

JUST ONE MORE GAME

Your child could be playing FIFA games on their computer or console for very long periods of time. That's not to say that computer-based matches are a full 90 minutes long, but a series of 20-minute matches can very quickly fill up a day! The World Health Organisation has classified 'gaming disorder' as a mental health problem - this is when children have trouble controlling their gaming behaviour and let it reign over their lives and daily routine.

IN GAME CHAT

While the FIFA video game is suitable for children of all ages as it does not include any inappropriate content, there is the issue of in-game chat. Your child can play with other people online and chat with them using headsets. As this is largely unregulated, it could mean that your child is exposed to language or conversations that you deem unsuitable.

BUYING ADD-ONS

In-game purchases are to be expected in any modern game and FIFA is no different. FIFA Ultimate Team (commonly called FUT) is a mode in FIFA that lets gamers build teams of players from any league, playing both offline and online to win coins. These can be used to buy better players or packs containing random players. While some purchases can be made using in-game currency, other purchases involve spending with real world money, which could become expensive. There have been reports of parents receiving large credit card bills resulting from in-game purchases made by their children.

FIFA GAMEPLAY

The FIFA series has been criticised for the competitive nature of gameplay leading to aggression in some players. Add to this the chance to converse with other players via in-game chat, and the potential for anger levels is likely to rise... especially if you're losing heavily!

Top Tips For Parents

ABOUT THE SERIES REFRESHES

As a parent, the implications of this really depends on the age of your child and your relationship with them. It may be that playing and sharing games is part of your family life and so this isn't a problem, but just be mindful that being involved with the FIFA franchise is unlikely to be a one-off event - it's the start of a gaming journey that could last for many, many years and involve numerous (potentially expensive) upgrades.

STEER CLEAR OF SCAMMERS

You should teach your children to stay clear of scams. Explain to them that they must be wary of any link which asks them to either verify their username and password or provide other sensitive information. Game developers will never send a message asking for login information. Console messages, emails and websites, or social media posts promoting contests for in-game content, such as packs, players, or coins requiring login information are fake.

MONITOR ACTIVITY

The parental controls on consoles can be used to restrict the amount of time spent playing. Physically monitoring how much time your child is spending in FIFA is recommended - just as you might monitor how much time they spend watching TV. Keep an eye out for warning signs, such as a lack of interest in other activities, tiredness or fatigue, neglect of personal hygiene, changes in character or anger issues when your child is told to stop playing a game.

HAVE THEM REPORT ABUSE

It's unlikely that you'll be able to convince your child to play FIFA without making use of the chat facility - it's something that adds to the experience. However, you should ensure your child is aware of how to silence any abusive players and how to report anyone who becomes problematic.

RESTRICT PURCHASES

To spend real money in FIFA, a credit or debit card must be linked to a gaming account, so ensure that your card is not being used for this! There's also support for PayPal payment, so also check who has access to this type of account. Depending on the platform your child is using to play FIFA, there are different parental controls that can be put in place to restrict spending should you allow them to link a card to their account. There is also a payment option called Paysafecard, which allows you to make payments online without the use of a bank account or credit card. As you can top up balances, this makes it easy to control spending.

ENCOURAGE BREAKS

Monitoring in-game chat may be difficult as you're likely to only be able to hear one side of a conversation. However, noticing how your child is reacting may be a reasonable indicator of the general mood. Dealing with both the frustrations of a game as well as troublesome people can serve as useful life lessons, but as a parent, you know your child better than anyone else. If you notice your child is getting too upset or angry, that's the time to intervene and try to encourage them to take a break from the game.

News from the PE Department

Netball Success

Huge congratulations to Ella Whitwam who was Kingsway Power Netball Club's Player of the Match during a fantastic performance, over the Half-Term holiday, that saw the team win 76-12 in the GMCNA County League.

PE Trophy Sponsorship

As a school, we are asking if there are any companies out in our community who would be keen to sponsor a trophy and help us recognise the huge amount of sporting excellence we have amongst our pupils. If you are interested and would like to find out more, please contact the school office.

Year 7 Netball

On Tuesday, we took our Year 7 Netball teams to play in their second league fixtures at St Damians. Despite losing their first game 10-4 against a strong St Damians A-team, the girls showed excellent levels of determination and resilience in their last game to beat Laurus Ryecroft 4-1.

Congratulations and well done to Mossley A team: Maisie Riley, Amelia Gray, Ruby-Rea Cartlidge, Mae Traynor, Jennifer Hallam, Mia Kennedy and Madeleine Crosby.
