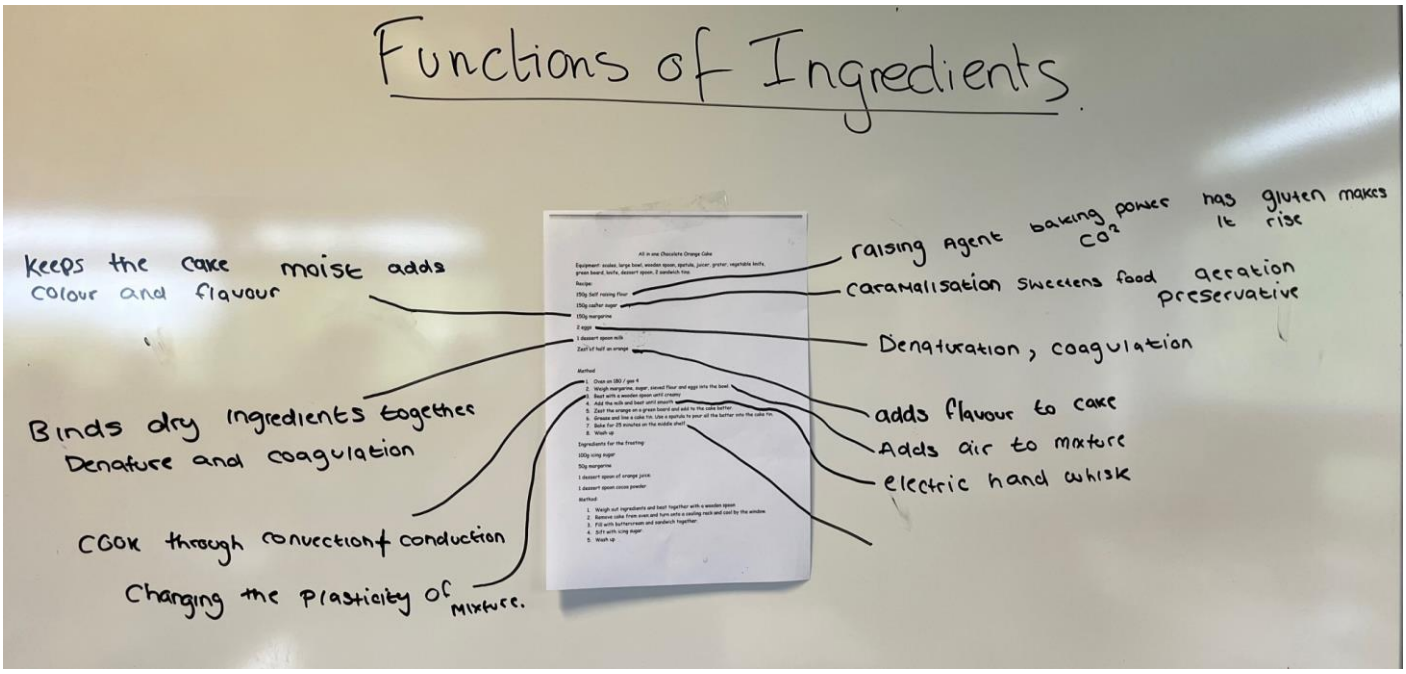
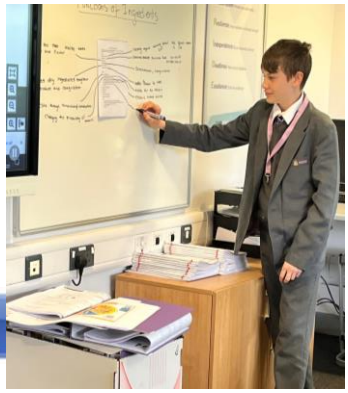
Year 9 Food & Nutrition

Well done to Lewis Broadbent this week. In his Food & Nutrition lesson he taught the class about the functions of ingredients. A wonderful lesson Lewis, well done.





Whit Friday rehearsals

This week our school band continued their rehearsals for Whit Friday out in the sunshine led by Mr Beardmore.

Important Information about our summer exam season

Year 11 Exam and Lesson timetable Mon 23rd May to Friday 10th June

Year 11 students have been given another exam and lesson timetable today which spans over the next two weeks. To explain the colour code: yellow denote exams, purple shows normal timetabled lessons, green denotes lesson 7 revision lessons and dark blue shows any early lunch times. It is important that all students keep this with them over the coming days to make sure they are in the correct place at all times. Before each exam, students will attend a 25-minute PowerPoint presentation with their teacher to remind them of important knowledge and skills that they will need for the exam. Students must be in school on time, every day, by 8.40am. Bags and coats need to be placed in lockers before they go to their presentation, taking their exam equipment with them.

Last week's exams went very well and the students behaved impeccably. Good luck for this week's exams!

Year 10 Pre-Public Examinations

This week our year 10 students have been issued with their study booklet to help them to prepare for their Pre-Public Examinations which will take place between Monday 13th June and Friday 24th June. A copy of the exam timetable is below. Your child should be planning their revision using the calendar in the booklet to ensure they leave enough time to work on each subject. The study booklet contains key information from each subject about which areas they need to revise. Please contact Mr Beaumont or your child's form mentor if you have any questions or need further support.

Whole School Information

Whit Friday, 10th June 2022

School is closed for all year 7-10 students on this day **but please remember that all year 11 students are expected to be in school for their timetabled examinations. (Please ensure you look carefully at the timetable accompanying this Newsflash).**

Attendance Matters

It is vital that children are in the building to learn every day if they are well enough to attend school. Students must be at school if they have light sniffles and common cold symptoms -these are not good reason to miss school. After the recent pandemic, by far the most significant risk to young people is the possible long-term damaging effects on their future life chances of missing further vital learning. We continue to do all we can to support our students in this respect and we need our students in the school building to give them the best chance of success. Please ensure that you send your son/daughter into school every day, unless they are too ill to come into school and work from the school building. Thank you, as always, for your support.

Movement around school

During the GCSE examination season for our Year 11 students, starting on Monday 16th May, the wet sports corridor and sports stairs - from the ground floor to level 2 (English) will be an out of bounds area at all times. These corridor and staircases are immediately adjacent to the Sports Hall, the location of the exams and as such these areas **must be a quiet area for candidates in exams.** Students can still use these stairs from level 2 (English) – level 4 (Technology). As a result, **the central stairs will be open to all students to use throughout the school day** during the GCSE examinations.

Important information – Year 8 and 9 queuing for lunch

With the closure of corridors as outlined above, **Year 8 and 9 students will queue for their lunch at the MFL gate across from the upper basketball court.** Year 8 and 9 students should not start to line up here until 10 minutes into lunchtime (12.45pm – Monday and 1.25pm – Tuesday to Friday). Year 8 and 9 students will enter the building via the entrance/exit doors near to the Year 7 Homebase and they will leave via the main exit door in the Drum.

Year 7 students should only use the main door in Drum to exit the building and go outside to the Apron/upper basketball court.

Our serious concerns about Vaping

We have serious concerns regarding students vaping (using electronic cigarettes). Students have been observed in school uniform smoking/vaping near to our school grounds.

Vaping is prohibited at all public transport stops and stations in Tameside and on transport to and from school. Any student found vaping will be in serious trouble at school and their parents/carers will be notified.

Health risks associated with Electronic cigarettes (E-cigarettes)

- can contain high levels of nicotine. Adolescence is a critical period for brain development and exposure to nicotine can have long-term health consequences, impacting memory, attention and learning.
- E-cigarettes (Vape) are often available in different flavours which can be appealing to young people and may expose them to chemicals and toxins such as formaldehyde, heavy metals, particulate matter and flavouring chemicals, at levels that have the potential to cause adverse health effects.
- Sometimes vapes are disguised as USB's, pens and cosmetics.

- **Second-hand smoke** exposure can cause disease and premature death in children and adults who do not smoke. Specifically, children exposed to second-hand smoke experience a range of upper and lower respiratory illnesses and symptoms such as colds and flu, cough, phlegm production, wheezing and pneumonia.

Your support

There are ways you can help protect your children and support our school community. These include:

- Talking to your child about why smoking/vaping are harmful for them. It is never too late to have the conversation
- Learning about the different types of e-cigarettes available and the risks associated with using these products. We recommend our parents/carers have a look at images of vapes online to familiarise what they can look like.
- Setting a good example by being tobacco and E-cigarette free.
- Report anyone who is selling cigarettes and e-cigarettes to our students. Please contact your child's Head of Year if you have any information for us.

Year 8 Life Skills Day – Thursday 26th May 2022

On Thursday 26th May, Year 8 will be participating in a drop-down day for Life Skills. Students will attend their normal timetabled lesson P1 before Life Skills sessions P2-6. Topics covered will include:

- Citizenship: Parliament and Monarchy
- Alcohol and Risk Management
- Consent
- Medication and Healthcare

If you have any queries regarding our Life Skills curriculum or our Pastoral Programme please contact Miss R Hodgkins at r.hodgkins@mossleyhollins.com

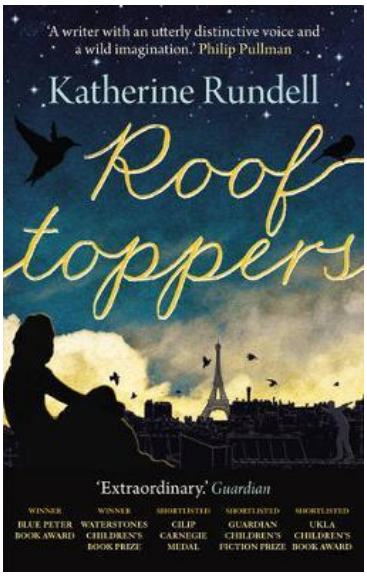
Library News



Rooftoppers by Katherine Rundell

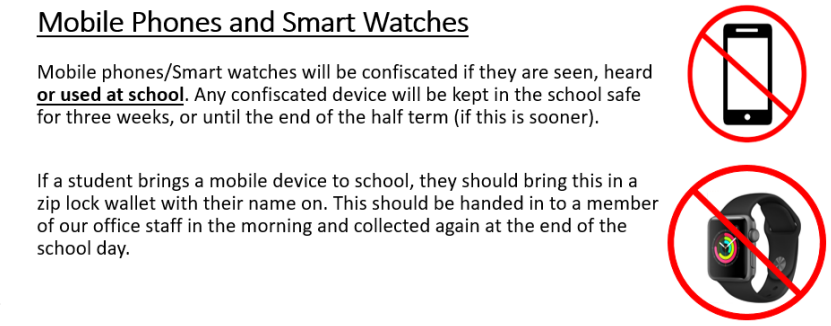
Everyone thinks that Sophie is an orphan. There were no other recorded female survivors from the shipwreck which left baby Sophie floating in the English Channel in a cello case. But Sophie remembers seeing her mother wave for help.

So, Sophie takes matters into her own hands and flees to Paris to look for her mother, starting with the only clue she has - the address of the cello maker.

There she meets Matteo and his network of rooftoppers - urchins who live in the sky. Together they scour the city for Sophie's mother before she is caught and sent back to London, and most importantly before she loses hope.

Mobile Phone Policy

Our mobile phone policy is generally very well complied with and we are grateful for the support of parents/carers and students. The school is a sociable place during break and lunchtime as a result of this policy, which requires that mobile phones/devices are not seen, heard or used during the school day or on the school premises. We have had a couple of instances recently where students have used phones during the school day, this is also involved students calling parents. Where it comes to our attention that a student has used a phone, we will take action as this is a breach of our rules. This does include calls made to parents; if a need for a student to call a parent arises during the day we will make arrangements for this to happen through the school office.



Chewing Gum

Can we remind all students, parents/carers and that chewing gum is a banned item at Mossley Hollins High School. Any student found to be chewing gum in the building will serve internal exclusion for a day. There are a number of reasons behind this, including the mess that it leaves behind, the difficultly of removing it from our carpets, chairs, desks and tarmac outside. We have the highest of expectations of students at Mossley Hollins High School and as always we really appreciate the support from parents and carers with this matter.

Scientist of the Week

Phoebe Whitbread

Phoebe has gone above and beyond in her contributions to science education and has taken a keen interest in understanding the world around us. Recently she experimented and discovered that the juice of a red cabbage can be used as an indicator for acids and alkalis! Thank you Phoebe for being such an inspiration to your peers and to me. Keep up the hard work.

Community Links Project nears completion

During lockdown one of our Year 11 students at the time, Thomas Benson, designed an image using photoshop. Since then in school students from various years have helped to create the mural piece and make it a reality. The mural was painted with acrylic paint following a careful sketch. It was a lengthy process and the students found it great to take part in a community link project. The mural will be in the George Lawton Hall for all the Local community to admire.

Well done to everyone involved. (Nancy, Year 9)

Well Done Tyler

Tyler Scott in Year 7 is achieving great things within the sport of Thai Boxing. He was ranked UK no5 in 2020 and since then he has completed in the Sandee Open which is the toughest tournament filled with the most talented youngsters from across Europe. He won the semi-finals to get through to the finals but sustaining an injury led to a stoppage. Tyler has now qualified to fight in Italy this October to compete in the World Championships.

His next fight is on the 25th June on the junior card for the Super Show Down which is the biggest stage within the UK.

Next year he is hoping to take part in the WBC trials and gaining entry to fight in Canada for the WBC world trials. We will keep our fingers crossed Tyler. Well done.

Cancer Research Challenge – 100 press ups a day

Cancer Research UK have a new fitness challenge for people to take part in throughout the month of May. The challenge is to complete 100 press ups a day to help raise money and raise awareness for Cancer Research. If you would like more information then please visit the Cancer Research UK website

https://www.cancerresearchuk.org/get-involved/find-an-event/push-up-challenge

The PE department will be promoting the press up challenge in PE lessons and would love to hear from pupils who are also taking part in the challenge at home. Good luck everyone!

TAMESIDE CUP FINAL 2022 – MOSSLEY ARE IN THE FINAL!!!!

After an outstanding season in both the league and cup next week the Year 10 Football Team get the chance to play in their first cup final for school. The final will take place next week on Tuesday 24th May at Hyde United (Kick off 4:30pm). The entrance fee is £2 for adults and £1 for children. If you are able to come along and support the team this would be most appreciated from all they boys and PE staff.

This is the first Cup final Mossley Hollins have been to in over 10 years. We would like to wish the boys the best of luck on the 24th May. COME ON MOSSLEY !!!

Good luck to; Kane Bove-Mavrantziotis, Keano Wassall, Isaac Herod, Jake Wolfenden, Matthew Jones, Owen Lomax, Luke Varey, Jacob Tohill, Sean Smith, Charlie Bingley, Daniel Curran, Celestin Oprea, Joel Andrews and James Duggan.

Outstanding Sports Leaders – Year 9

On Tuesday a group of Year 9 students organised and led the Year 6 Primary School Football Festival 2022. Layton Charlton, Harry Grange, Finn Jones and Alex Favario were the perfect role models to the year 6s with their enthusiasm for football. This was the first football competition for the MCSP primary schools in over 2 years. Pupils from Buckton Vale, Micklehurst,

St Joseph's. St George's, Milton and Livingstone all took part in the event which was a huge success. We look forward to the Mossley Olympics which will take place in July.

Year 10 Outstanding Performance – Amy Starkey

Amy Starkey in Year 10 is a very talented athlete who competes for East Cheshire Harriers. Last weekend she competed in the Greater Manchester Championships at Trafford Athletic Club. She took part in the Javelin and achieved a Seasons best of 27m 25 cm which was a new Under 17 women's P.B. Amy is now 10th in the rankings across the North West of England. Her outstanding performance resulted in Amy achieving 2nd place and the silver medal.

This is an outstanding achievement and we look forward to hearing about more success over the summer.

Year 10 Outstanding Performance – Ella Whitwam

Ella Whitwam in Year 10 is a very talented Netball player who plays for Kingsway Power. Last weekend the team travelled to Leicester to compete in the Sisters and Sport National Netball Club Cup Final. They put in an outstanding team performance to win the cup to be crowned 2022 Champions. Ella was awarded Player of the Match by her club coach and also won the award for Player of the Tournament.

Well done Ella. This is an outstanding achievement !!!

Outstanding Achievement Year 8 – Iona Ellis

Iona Ellis in Year 8 completed her Swimathon challenge last weekend to raise money for Cancer Research and Marie Curie. She completed three 5k swims over the weekend and her hard work and determination resulted in her raising an outstanding £1210 for the two charities. This is an impressive achievement and Iona should be very proud of this. Well done Iona !!!

League and Cup Double for Stalybridge Colts F.C

A group of Year 10 and 11 pupils completed the League and Cup double last week after another outstanding performance. This week, after winning the league the week before, they played against Abbey Hey and managed to win the game 2-0 and went on to lift the cup. This is an outstanding achievement from all the boys involved.

Congratulations and well done to; Bayley Wassall, Keano Wassall, Jacob Ashton, Billy Harrison and Tom Stones.

Request from the PE department

The PE department would love to find out what fitness activities or sports activities the pupils of Mossley Hollins are taking part in outside of school at the moment. We would like all pupils to send/email photos of them taking part in exercise or playing sport for their clubs with information about their achievements to Mr Doodson or Mrs Dodd on a.doodson@mossleyhollins.com or v.dodd@mossleyhollins.com.

School Expectations

Jewellery

Please be aware that jewellery is not allowed in school. It is advised that ears are not newly pierced as students are not allowed to wear plasters over earrings until they are healed. Students are allowed to wear a watch although this must not be a smart watch, which would be confiscated in accordance with our school policy.

Equipment

Students who wish to succeed at our school always bring the right equipment, for the right lessons, each day. Students do not need to bring all of their books but should select the right ones the previous evening. Students must bring to school: pencil case; the 2Ps and 2Rs (pen, pencil, ruler & rubber); their planner; DEAR-reader; Correct coloured lanyard; the books and folders for that day; their PE kit when they have PE and a scientific calculator.

Lanyards

Lanyards are also a compulsory part of the school uniform. Students were issued with a lanyard at the start of the academic year and many students have had several replacements already. Despite our clear rules and reminders, some students are not wearing them. Please ensure that your child wears their lanyard each day for school and that they look after this. We will provide one replacement free of charge, any subsequent lanyards will cost £1.

Punctuality

We would like to remind everyone of the importance of arriving to school promptly each morning. Should your child arrive later, they must enter through pupil reception by crossing the bridge. This applies to students in all year groups.

School Shoes

We would like to remind parents, carers and students of the footwear, which will be deemed acceptable and unacceptable. Footwear must not resemble trainers and shoes manufactured by sportswear companies and will not be allowed. Canvas or leather converse/vans style pumps will not be allowed, nor will any footwear that covers the ankle. Please be aware that some companies market shoes as school shoes but in fact, they are not acceptable as they have logos and/or trainer like soles. Other shops, such as Clarks have also begun to design their school shoes to look like trainers. Shoes must be all black including the stitching, sole and trim. Logos of any kind are not acceptable, including Kickers. If students arrive in school with inappropriate shoes, they will be given a pair of shoes from school stock for the day. If this is not possible they will not be permitted in lessons. Please help to avoid any issues by ensuring that the uniform policy is adhered to.

Grown Out of It

As a school we are working in partnership with "Grown out of it", an organisation which is designed to help parents buy and sell grown-out of school uniform.
Please click here for further information.
The local Mossley community shop, which raises funds through selling donated goods then reinvesting the profit into local community groups, projects and events, also has a stock of our second-hand uniform. (Mossley, UK, OL5 0QX. View on a map)
