

## Information & Contacts

Please see our Newsflash for weekly news and updates

### Contacting School

Thank you to the vast majority of parents and carers who, when contacting school, are polite and respectful. We understand that, at times, you may feel frustrated if you are not able to immediately speak to a specific member of staff in relation to your child. Please remember that we are a busy secondary school which serves over 900 students and families. Our Heads of Year also have busy caseloads and day-to-day responsibilities. Some Heads of Year are classroom teachers and others are Teaching Assistants, this means that they are often in classrooms teaching or supporting students and are therefore not always available to immediately respond to parents / carers.

If your call is urgent or in relation to a serious safeguarding concern, our reception/administration staff will always endeavour to find an appropriate member of staff to take your call, in most other circumstances they may direct you to other means of communication, such as email. In such circumstances, you should expect return communication within 48 hours, if you do not, please escalate this to the Headteacher's PA by emailing [heads.pa@mossleyhollins.com](mailto:heads.pa@mossleyhollins.com).

Our staff will do their very best to assist in any way that they can. Thank you for your continued support.

### Contacting your child's Head of Year

Please ensure that you use the new email address listed below to contact your child's Head of Year (Progress) for any questions or concerns you may have. The relevant Head of Year will ensure that you receive an acknowledgement or reply within 48 hours. Unless a phone call is urgent or is in relation to a serious safeguarding concern, parents/carers will be directed to email the relevant Head of Year on the new email addresses below:

Xello will provide interactive assessments to help students understand their strengths, skills, and unique interests and give access to hundreds of career profiles.

To access Xello, students need to go to the [GMACS website](http://www.gmacs.co.uk), click on the careers plan tab and then log-in using their school email address as username and date of birth (ie ddmmYYYY) as password.

## Communications from School – Ensure your notifications are on

We have moved to communicating via email rather than text. Please could parents/carers check your email accounts regularly and ensure that our email address is added to your safe list to avoid any emails from school being directed into your junk email folder. Please can you also check on the School Gateway app that we hold your correct email details on record. If there are any changes required you can use the app to let the school know.

Even if you have the School Gateway App you must ensure that you are logged in all the time and have push notifications manually turned on for this App within your phone settings. Every device will have other settings that can affect push notifications (for example, battery optimisation, which prevents some devices from receiving push notifications when the battery is below a certain percentage).

Please also ensure that you are running on the latest version of the App, which can be confirmed in the Play Store or App Store. If you are still not receiving notifications and have followed the guidance below, you would need to refer to the help guide for your specific device and/or contact your device manufacturer.

If both parents/carers are registered on Gateway please ensure that each registered user is using the School Gateway App.

**Guidance for switching on notifications:**
