Year 11 visit to Spain

During the holidays, Mr Stevens, Mrs Chapman and Mr Heaney took 29 of our Y11 GCSE Spanish students to a small town outside of Málaga called La Cala del Moral for a long weekend.

Students took part in a range of cultural and educational visits such as visiting the largest subterranean caves in Europe, a school exchange with Spanish pupils at a secondary school, a tour of the famous Alcazaba, a Flamenco workshop and private tuition on the beach school. They also visited the city centre of Málaga to see the Christmas markets and light displays. In addition, there were plenty of opportunities to spend time on the beach (and the sea for the bravest of students), play sports and eat churros.

Students were engaged, enthusiastic and represented Mossley Hollins in the best way. Mr Stevens would like to extend a huge thank you to the staff, students and parents/carers for supporting the trip and a wonderful experience for all.

School Production - Tickets now available

Tickets can now be purchased for this year's production, 'Singin' in the Rain' which will showcase on Wednesday 31st January, Thursday 1st February and close on Friday 2nd February.

Tickets can be purchased via the school's website for £7 each.

Please don't delay if you would like to see the production, historically we sell out all of our seats weeks prior to the show. On behalf of the cast and crew - we look forward to welcoming you.

Meet the Library Team

Let me introduce myself and the team, my name is Mrs Taylor and I am the School Librarian. The reason I applied for this role was to share my passion for reading with our students and to promote reading for pleasure.

Our Student Librarian team includes Holly and Emily, who we wish to congratulate on being promoted to Senior Librarians - they will mentor our newly recruited Year 7 Junior Librarians: Elaina, Mia and India, who commenced their new roles this week and I am sure will thrive. The other Student Librarians are Ewan, Max, Lexi, Joud, Cathrine, Amelia, Lexi and Isabelle. We had some amazing applications this year for the Year 7 Student Librarian roles and thank you to everyone who applied.

We try to make our library a welcoming, calm and friendly place, where students can read in comfort. We create exciting displays that promote both our calendared reading events, celebrate literature and we are building a 'reading for pleasure' culture.

We look forward to welcoming you to the library in the near future.

Visit from Carl-Zeiss Oberschule

Later this month, we at Mossley Hollins High School will be playing host to the Carl-Zeiss Oberschule - a secondary school from Germany. This is the first time we have linked with this school and their students will be coming over to observe our lessons, meet our students and staff and to see our culture and way of life. Their students will be seeing lots of the Manchester region too and trips have also been planned. We can't wait to welcome them to our school and hope this is the first visit of many for both schools.

Scythe – Arc of a Scythe

In a perfect world, what is there left to fear?

A chilling and thought-provoking sci-fi novel from bestselling author Neal Shusterman. A dark, gripping and witty thriller in which the only thing humanity has control over is death.

In a world where disease, war and crime have been eliminated, the only way to die is to be randomly killed ("gleaned") by professional scythes.

Citra and Rowan are teenagers who have been selected to be scythes' apprentices, and despite wanting nothing to do with the vocation, they must learn the art of killing and understand the necessity of what they do.

Only one of them will be chosen as a scythe's apprentice and as Citra and Rowan come up against a terrifyingly corrupt Scythedom, it becomes clear that the winning apprentice's first task will be to glean the loser
